A4 Hardcover book 192 2 quire Page Feint and margin	6	
Counter Books - lined A4, 72pg Softcover Feint and margin	5	
A4 Portfolio Folders per subject for assessments	6	

All students must have a fully functioning tablet or laptop at school DAILY (fully charged from the morning) and bring along the charger with any adapter needed should a recharge be needed throughout the day. Recommendations for compulsory tablet or laptop devices can be found below.

## **ELECTRONIC DEVICES**

Each learner from Grade 4 to Grade 6 will be required to own their personal laptop for learning. These are to be brought to school daily and fully charged. All background updating and downloads are to be disengaged. We have limited bandwidth and any additional unnecessary usage cannot be accommodated. Any misuse of the device will result in the device being confiscated immediately and handed to the parent. The misbehaviour will be addressed between the teacher, parent and learner before the device is returned to the learner.

Grade 4 - 8 students are specifically recommended to use a laptop as it is able to access all types of applications associated with Google Classroom. However, a tablet is sufficient if it is able to download and fully function the following applications:

Google Classroom  
Google Docs  
Google Slides  
Google Chrome  
Google Meet  
IXL

**Recommendations:**

Laptop (preferred over tablet) - any brand that can connect to the internet and has a camera and microphone

**Tablets -**

iPad (any 5 - 7) or iPad mini (any 1 - 5)  
Huawei - Mate Pad or Mediapad  
Telefunken - 10 inch tablet  
Samsung - Galaxy Tab A, Galaxy Tab S6 (any samsung tab with latest android version)  
Connex 10.1" tablet
